Montreal, QC – June 29th, 2006 – Mr. David Westrheim, President & CEO of **intelliNet**, announced that Claude Lamirande, National Director of Technical Services for **Bell Business Solutions** (BBS), today signed the necessary agreement to join the **intelliNet Certified Reseller Partner Program**. The arrangement provides for **intelliNet to perform On-Site IT Services throughout Canada to Bell clients**.

Bell Canada launched Bell Business Solutions Inc. as a new division that integrates three companies acquired in 2005, **Charon Systems, Nexxlink Technologies and CSB Systems, as well as ProfitMaster Canada acquired in 2006**. Bell Business Solutions offers advanced IT solutions to small and medium-sized businesses (SMB) throughout Canada.

intelliNet's Certified Reseller Partner Program provides wholesale access to intelliNet's Canadian National **infrastructure of 284 Network Engineers and Field Service Technicians** who are able to perform Rapid **On-Site Service Everywhere in Canada with Two-Hour and Four-Hour Service-Level-Agreement (SLA) coverage.**

According to David Westrheim, President & CEO of intelliNet; "We are pleased to partner with the Bell Business Solutions team". He went on to say; "with their acquisition and merger of great companies in the IT Services space such as Nexxlink, Charon Systems, CSB and ProfitMaster, we join a powerful team in the delivery of world class IT Services."

According to Claude Lamirande, National Director of Technical Services; "Bell Business Solutions looks to this partnership with intelliNet to extend and strengthen our reach, especially in Western Canada, the Atlantic and for special technical resources." He added; "it also solves the challenge of providing Technicians in remote locations, where intelliNet has strong coverage."

About intelliNet:

intelliNet provides Network Computing Managed Services to corporate clients throughout Canada. intelliNet's management team has been providing the Computer & Network Products and Professional Technical Services required by some of Canada's leading and most innovative companies and institutions throughout the country for the past 20 years time. Partnering with System Administrators and IT Departments, intelliNet provides proprietary Managed Services including Network Monitoring, Spam Filtering, Virus Blocking & Email Security, Intrusion Detection, Remote Back-Up & Disaster Recovery, 24x7 Help-Desk Support and Rapid On-Site Service from over 210 Dispatch Locations across the country. Through competitive product supply and Professional Technical Services including installation, configuration and system integration of all major brands of Network Computing Products and Operating Systems, intelliNet provides clients and their Independent Software Vendors with a complete IT Infrastructure platform, second to none. Linux, Unix, Citrix, Netware, OpenVMS & Microsoft.

About Bell Business Solutions:
