RICHMOND, BC – December 8th, 2003 Mr. David Westrheim, President & CEO of **intelliNet**, announced the acquisition of **Orca Computer Business Systems Inc.** today.

The acquisition represents a company that has been operating during the past decade **servicing several hundreds of corporate accounts** with their Information Technology Services (IT Services) requirements throughout the Lower Mainland of Vancouver.

In conjunction with the acquisition, Mr. Westrheim announced that in addition to all of Orca's technical personnel joining **intelliNet**, **Orca's principal shareholder; Mr. Grant Berezan, has been appointed to a senior technical capacity at intelliNet.** Grant is a **22-year veteran of the IT Services industry in Vancouver**, having held technical management and/or technical positions formerly with Strider, ANO and Tri-Tech, prior to co-founding Orca during the early 1990 s.

According to Mr. David Westrheim; **we are very pleased with the acquisition of the client base of Orca.**” He went on to say; Of even more importance though, **we are absolutely delighted to have an individual with the exemplary senior technical capabilities of Grant Berezan, join the IntelliNet team.** There are many technical personnel in the marketplace, but only a select few who can demonstrate Grant’s advanced capabilities, while still being able to converse clearly with corporate clients, in a manner which they are comfortable with and can understand , Westrheim added.

Grant Berezan commented; **By joining IntelliNet, the benefit of their infrastructure and size will allow me personally to focus solely on technology issues,** both directly with clients and through other IntelliNet personnel . Grant went on to say that; now free of the administration and management of a company, **I can get back to focusing on my key strengths and talents of IT Services design, deployment and support, both directly and through managing other IntelliNet personnel.**

Former clients and strategic partners as well as other industry professionals are invited to **contact Grant Berezan at either (604) 540-5001 extension 225 or email at gberezan@intellinet-canada.com.**
