Montreal, QC – March 20th, 2006 – Mr. David Westrheim, President & CEO of **intelliNet**, announced that **François Côté**, President & CEO of **Emergis Inc.**, today signed a **multi-million dollar multi-year contract with intelliNet**. The deal calls for intelliNet to provide **On-Site IT Services throughout Canada to Emergis** Pharmacy & Medical/Dental system installations, on an exclusive basis. Further financial details of the multi-million dollar, multi-year deal were not disclosed.

During the past two-years, Emergis has taken the top position as Canada's market-leader in Pharmacy Point-of-Sale and Dispensary Systems installations. Emergis currently has over 3,000 Pharmacy and Medical/Dental Systems installations across Canada. This has been achieved through the **acquisitions of NCDHealth (TechRx), Genie, Tri-Comp Systems, InfoPharm and QS-1**.

Emergis will be providing a new level of **comprehensive On-Site Service Contracts** and Time & Materials based **Hardware, Operating System & Network Infrastructure IT Services** through IntelliNet, directly to its Pharmacy and Medical/Dental clients.

According to David Westrheim, President & CEO of IntelliNet; “We have been in negotiations on this deal for over two years time.” He went on to say; “We had to compete with some of the largest well-known IT Services companies in Canada to win this **exclusive long-term national partnership.**” “In the end, **no other player combined our breadth of IT Services Best Practices with vertical Pharmacy & Health Industry systems expertise and time-tested rapid On-Site Service Coverage, in a proven model, coast-to-coast.**”

According to Frantz Leuenberger, Emergis Vice-President of Operations, Provider Solutions Group; **“Emergis accounts now have immediate On-Site Service Coverage for their Hardware, Operating Systems and Network Infrastructure requirements,** directly coordinated by the Emergis Help-Desk and Emergis Service Department.” He further commented; “No other partner considered specialized in the Pharmacy & Medical/Dental marketplace like IntelliNet”. “In fact, they have been supporting many of our clients and installations across Canada for a quite a few years time, so the quality and performance, is already known.”

About IntelliNet:

IntelliNet provides Network Computing Managed Services to corporate clients throughout Canada. IntelliNet’s management team has been providing the Computer & Network Products and Professional Technical Services required by some of Canada’s leading and most innovative companies and institutions throughout the country for the past 20 years time.
