dwestrheim@intellinet-canada.com

New Westminster, BC – June 27th, 2007 – Mr. David Westrheim, President & CEO of intelliNet,

announced today that **two of Western Canada’s leading Independent Software Vendors (ISVs);**

Exan Mercedes Software www.exansoftware.com and **Ideal Computer Group**

www.idealgroup.com have entered into **Reseller Partner Agreements with intelliNet.** Exan

provides solutions for Dentists Offices while Ideal provides a leading solution for the Building Material Dealers marketplace.

Under these partnerships, each of these software vendors work together to have **intelliNet provide all of the Computing Infrastructure Products and Services** required to support either Exan’s or Ideal’s Software Application Solutions for their own clients.

Through competitive product supply and Professional Technical Services including installation, configuration and system integration of all major brands of Network Computing Products and Operating Systems, IntelliNet provides clients and their Independent Software Vendors with a complete IT Infrastructure platform, second to none. On-Site IT Services Everywhere in Canada within Two Hours! Linux, Unix, Citrix, Netware, OpenVMS & Microsoft.

About Exan Mercedes:

Exan Mercedes Software has been in business for in excess of 20 years time and provides software solutions to Dental Practices through their PracticeX Dental Practice Management Software.

About Ideal Computer Group:

The Ideal Computer Group is based in Vancouver, British Columbia, Canada, and is comprised of The Ideal Computer Group Inc. (formed in 1995) and Ideal Software Limited (formed in 1980). The Ideal Computer Group Inc. holds exclusive distribution rights to IdeaLaw and IdealWare, which are software packages owned and originally developed by Ideal Software Limited. Ideal’s objective is to create the best software of its kind and to provide the best service to our clients. While our clients enjoy the benefits of proven software packages, they benefit further from being able to have their software customized by Ideal on a timely basis and for a reasonable price. It is through this creative partnership with our clients that Ideal’s software continues to improve at an accelerated rate relative to the systems of our competitors. Ideal provides quality software, support and training to a wide range of customers from small single-user sites to large multi-location chains. The company’s goal is to provide the highest level of product satisfaction and support to all customers regardless of size. Dedication to quality is the cornerstone of Ideal’s business philosophy.
