Richmond, BC – September 5th, 2007 – Mr. David Westrheim, President & CEO of intelliNet, announced today that **intelliNet has purchased and relocated into a new building in Richmond, BC for its Head Office, Vancouver Field Service Operations and Network Operations Centre (NOC) to provide Remote Monitoring & Management for the entire country.** The Building is located in the Shelter Island Business Park in the Fraserwood Corporate Centre neighbourhood of East Richmond, near Annacis Island.

Acquired earlier in February of this year, **six months of technical design and interior construction was required to create the security and functionality for the Network Operations Centre (NOC).**

According to Mr. David Westrheim, President & CEO of intelliNet; “Due to our growth and expansion, new facilities for Vancouver were a pressing necessity, following the expansion of our Mississauga Eastern Region Offices for Toronto during last year.” Westrheim went on to say; “**now we can continue to execute our continuing growth strategy through both organic and acquisitions growth.**” He added; “this facility will allow us to triple our current size.”

Ali Juma, Sales & Marketing Manager for intelliNet commented; “The Field Services Team provides On-Site IT Services from Whistler to Hope from this location”. He went on to say; “**Fraserwood Corporate Centre is an excellent strategic location, minutes away from our three major product suppliers, close to the airport and in the neighbourhood of many of our high-technology partners from Microsoft to HP.**”
